**Subject:** RE: Presidential Poll

Never, but I'm pretty sure someone would notice if you were suddenly the President again.

If you want back in the White House, I could always run.

The lack of sleep is messing with me but not that way. I should be home tonight to catch up though.  
As of right now, no. He can't get us in there. But, I've got a plan. I'll fill you in on it tonight.
